An Invitation

BISHOPS, CLERGY AND LAITY:

It is with a great deal of pleasure that we of The Church Clubs invite you to join us in a Pilgrimage to England and beyond in June, 1934.

Visits can be planned to the great Cathedrals of England and the Continent. The Passion Play at Oberammergau will be staged again next year and will be an attraction to all those making the Pilgrimage. Trips to the Shakespeare country and other points of special interest will be at your command.

We invite both clergy and laity to join us in this Pilgrimage which we hope will give all of us a larger vision of our opportunities and obligations as churchmen.

Seldom if ever again will we have the opportunity of visiting England and Europe under such favorable conditions as offered through this Churchmen's Pilgrimage. We invite further inquiry from you.

Faithfully yours,

JOHN D. ALLEN, President,
Federation of Church Clubs,
65 East Huron Street, Chicago.

The Presiding Bishop Says:

The plan of the Pilgrimage is most attractive and I hope that many will be able to take advantage of the opportunity to see something of England and of our Church background.

JAMES DeWOLF PERRY,
Presiding Bishop.

On to London!

The thrills and joys of a trip abroad! The pleasure of visiting shrines of antiquity and shrines of modernity! in company with men and women of common interests and knowledge—that is what The Church Club Pilgrimage offers you.

TRAFALGAR SQUARE

London will be our first point of interest. She is justly famous as the capital of the British Empire and as the see city of the Anglican Communion. Her beginnings are lost in antiquity; her history is interesting as it is long and over her magnificent buildings, old and new, secular and Church, there lies the glamour of romance. Here Westminster Abbey and St. Paul's Cathedral claim our attention.

And beyond London there is Oxford and Stratford and York; the Continent of Europe, Paris, Berlin, and the Rhine Country; Italy, Switzerland and the Passion Play at Oberammergau. . . . All this can be yours with little trouble and little extra expense. Make 1934 a year that will live in your memory as one of the pleasantest of your life by joining the Church Club Pilgrimage.

The Pilgrimage, sailing from New York in early June, will proceed to London to be entertained by dignitaries of The Church of England. And then you will have a choice of a million things to do. You may extend your travels to any part of England or the British Isles or to the Continent, or return home immediately. The option

Some Facts and Figures

Those not familiar with the SS "CARINTHIA" will be interested to know that she is Cunard's newest steamer of 20,000 gross tons.

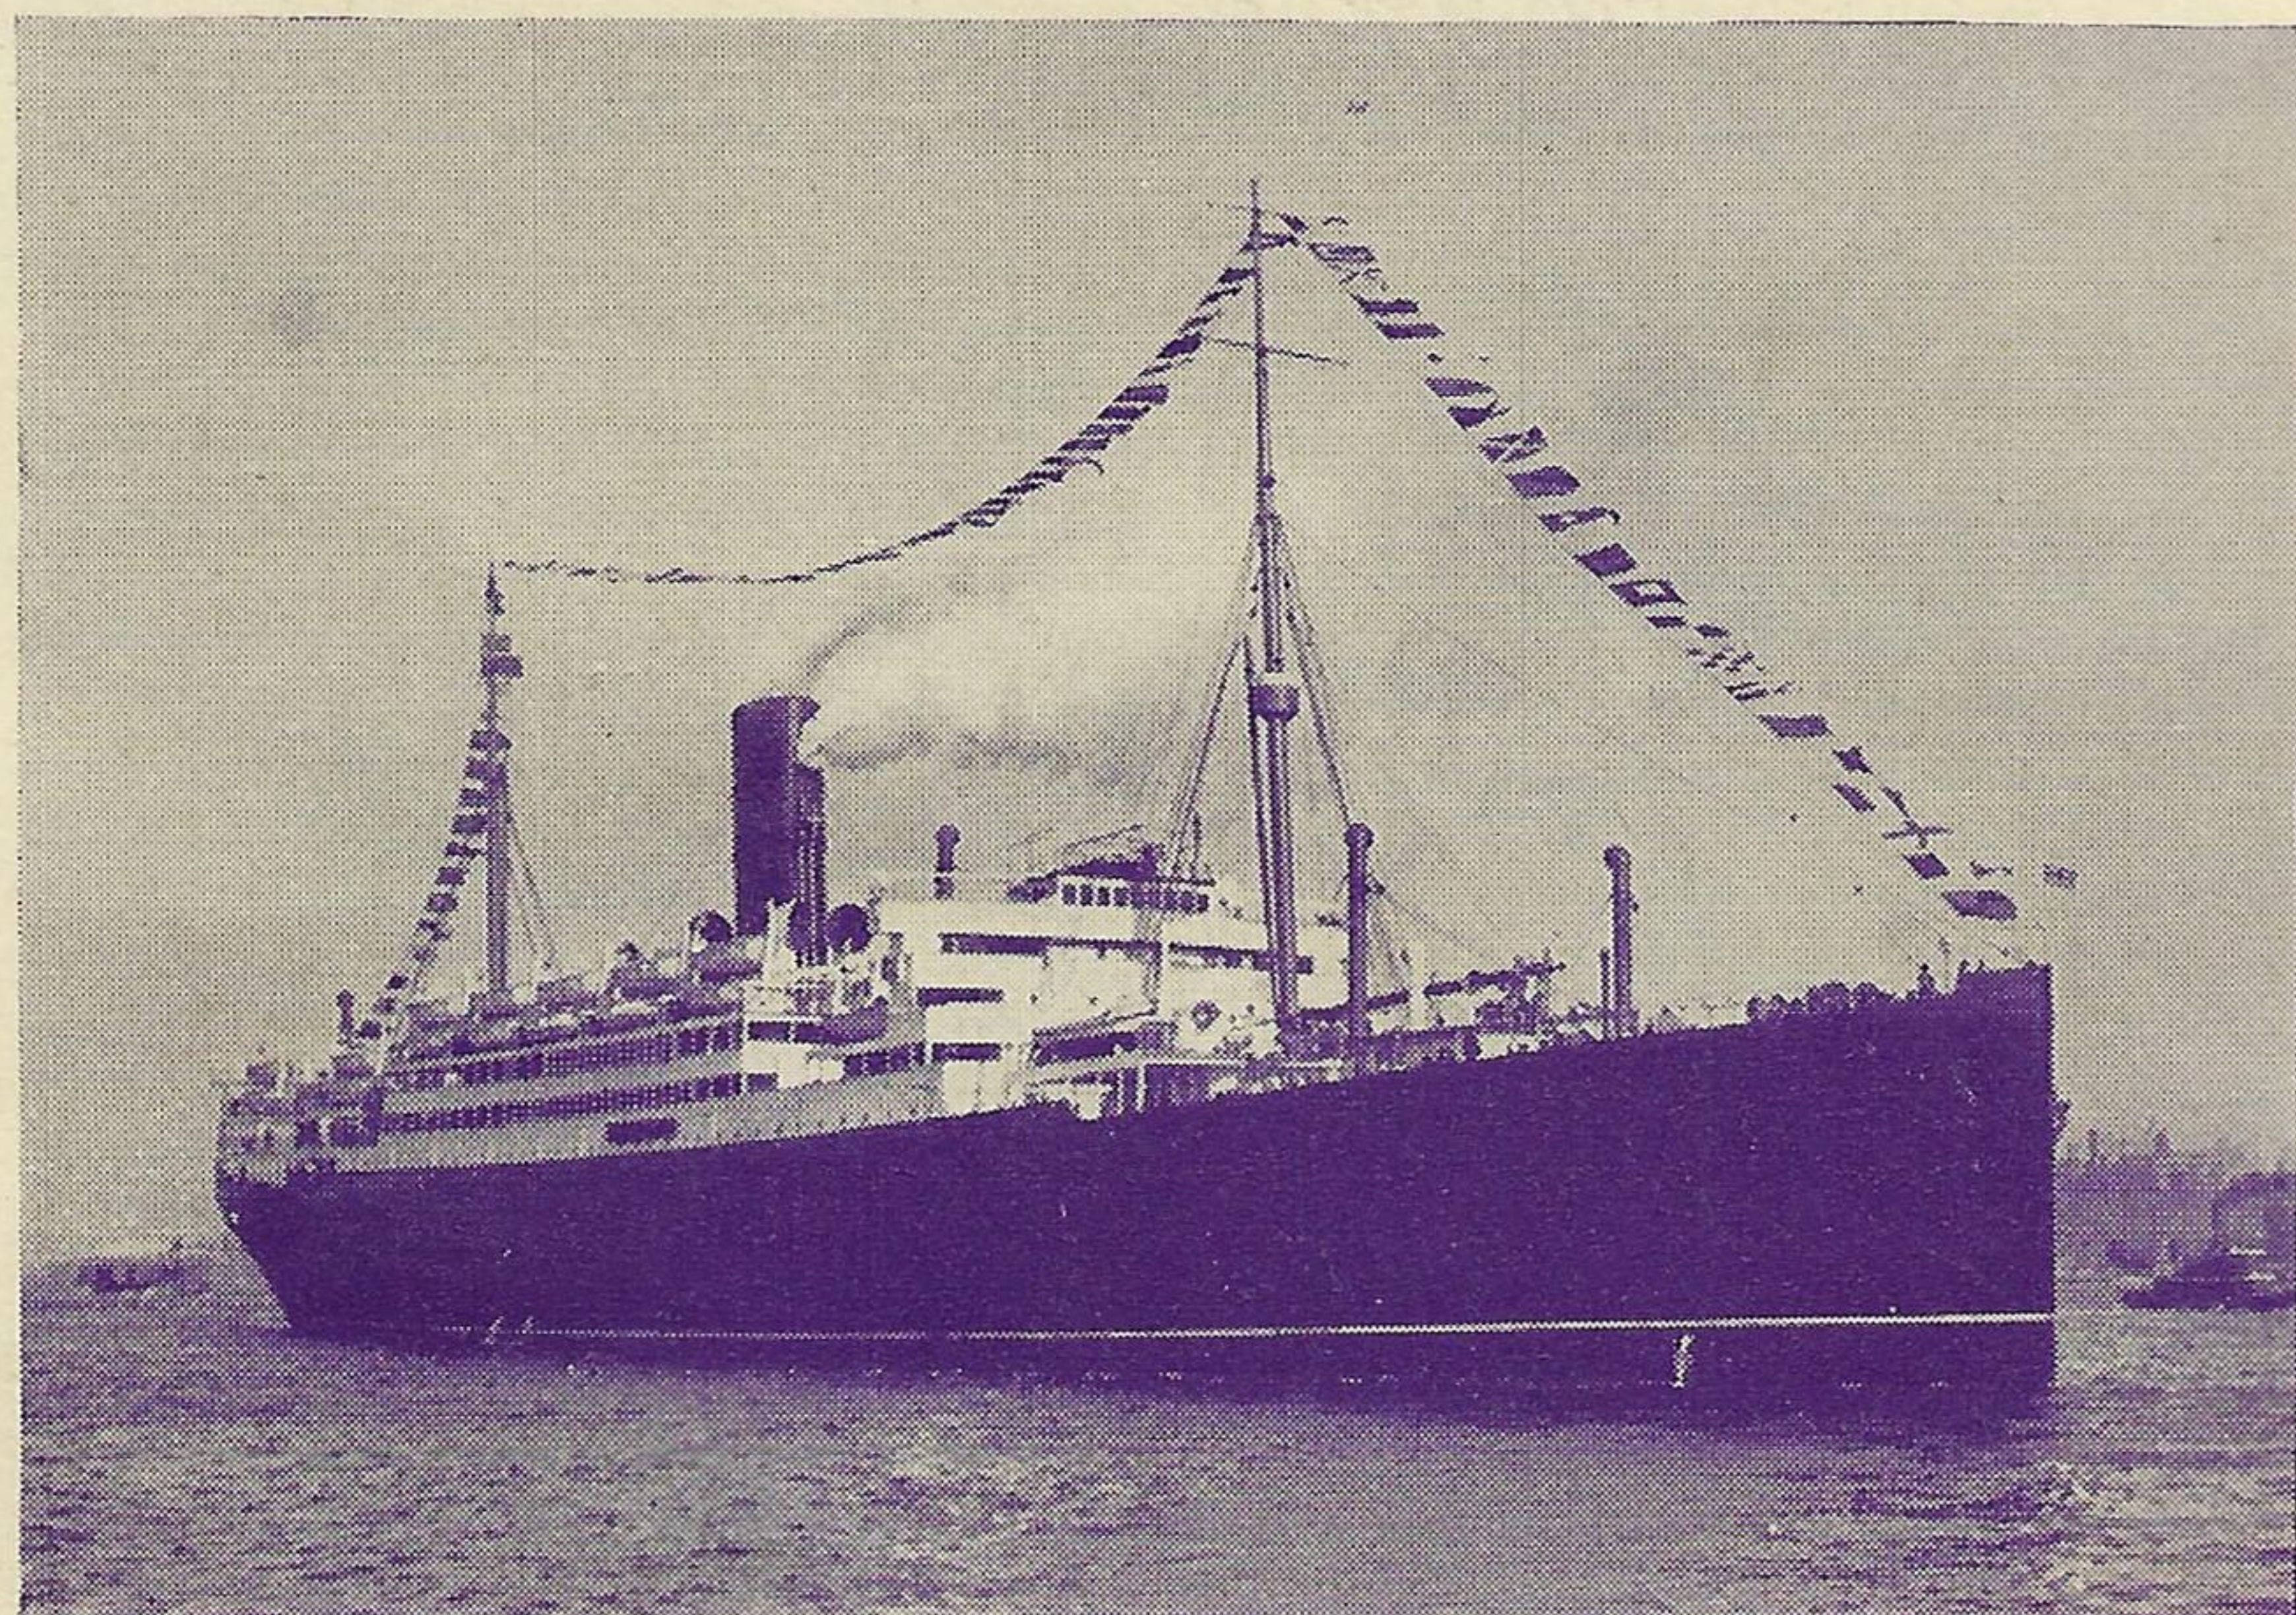

Moreover, having been built for deluxe travel she is considered one of the finest steamers afloat. The swimming pool is one of the largest and finest, the indoor sports arena and the outdoor sports deck are among the largest on any ship. The public rooms are magnificent, the staterooms are unusually large and are nearly all fitted with real beds instead of berths. Cabin Class (the name given to the finest the Carinthia can offer) takes a minimum rate of \$251, round trip, New York to Southampton and return from any British port. A deluxe room with private bath and toilet costs from \$22 per person extra for the round trip. Incidentally, it is not absolutely necessary to designate a definite return date. An open ticket can be furnished. We would advise, however, that definite accommodations be reserved for the return by all who can do so.

Tourist Class, so popular today, is also carried in the Carinthia. The round trip rate is \$175.

But remember this, regardless of the class you elect to travel, you are assured of the renowned Cunard Service. The Cunard Line has completed almost one hundred years of service to the travelling public, building up in that time a reputation known the world over.

For those unable to sail as early as June 6th, but who wish to join the party in Europe, accommodation has been set aside in the express steamers.
